Dear CU Subscribers and Friends,

With much sorrow, we are unfortunately announcing the discontinuance of Collectors United Magazine.

Times change, and these changes have affected the doll world as we once knew it. We will truly miss preparing the paper each month. Also, we will miss our many friends that we have made. We have been publishing for 36 years, but now is the right time to stop.

We will continue doing the Collector United Doll Shows and also will still be operating the Collectors United Doll Shop.

We hope all of you will keep in touch.

We want to say many thanks for your years of support.

Sincerely,

Dian & Gary Green
